Jefferson Park Residents are taking excellent care of their trees!

The Parks People recently evaluated the trees we planted last Spring. The over-all survival rate for Jefferson Park trees is 99%!!! That is EXCELLENT. Please keep up watering during the winter months – trees need 5 gallons per month in the winter.

Please note: All the trees we planted at Ramada Inn died due to lack of water. Don't hesitate to let them know how disappointing and financially irresponsible they have been.

Operation Christmas Child

This is the 10th year that the women at New Life in Christ Church have assembled shoe boxes filled with small gifts that are shipped to third world countries as part of **Operation Christmas Child**. Last year a few JPUN members participated. If you would like to participate and/or donate items, the boxes will be put together Nov 13TH at 6:00 pm at New Life in Christ Church, 25th & Clay.

Suggestions: plastic shoe boxes with lids,

small toys, hygiene items, pens, pencils, small note pads, wrapped candy, gum, t-shirts, socks, caps, sunglasses, hair clips, jewelry, watches and flashlights.

It costs \$7.00 per box to ship if you would like to make a donation. For items to be picked up call Barbara Baker, 303-257-9808 or join us on Nov. 13 to wrap the boxes. **For many children in third world countries this is the only Christmas gift they will receive.**
